

BIBLIOGRAPHY OF SAMUEL WALTON GARMAN

---

Adam P. Summers

1. Garman S. 1874. Description of a new species of North American serpent. Proceedings of the Boston Society of Natural History 17:92-94.
2. Garman S. 1874. On the skates (Rajae) of the eastern coast of the United States. Proceedings of the Boston Society of Natural History 17:170-181.
3. Garman S. 1875. Exploration of Lake Titicaca, by Alexander Agassiz and S. Garman. No. 1 Fishes and Reptiles. Bulletin of the Museum of Comparative Zoology 3(11):273-278.
4. Garman S. 1875. Notes on some fishes and reptiles from the western coast of South America. Proceedings of the Boston Society of Natural History 18:202-205.
5. Garman S. 1876. Reptiles and batrachians collected by Alan Lesley, Esq., on the Isthmus of Panama. Proceedings of the Boston Society of Natural History 18:402-413.
6. Garman S. 1877. On the pelvis and external sexual organs of selachians, with especial reference to the new genera *Potamotrygon* and *Disceus*, etc. Proceedings of the Boston Natural History Society 19:197-215.
7. Garman S. 1877. *Pseudis*, the paradoxical frog. American Naturalist 2:586-90.
8. Garman S. 1877. Variation in the color of animals. Proceedings of the American Association for the Advancement of Science 25th Meeting:187-204.
9. Garman S. 1880. New species of selachians in the museum collection. Bulletin of the Museum of Comparative Zoology 6(11):167-172.
10. Garman S. 1880. On certain species of Chelonioidae. Bulletin of the Museum of Comparative Zoology 6:123-126.
11. Garman S. 1881. New and little known reptiles and fishes in the museum collections. Bulletin of the Museum of Comparative Zoology 8(3):85-93.
12. Garman S. 1881. North American fresh water fishes. Science Observer 3(8):57-63.
13. Garman S. 1881. Reports on the results of dredging under the supervision of Alexander Agassiz along the Atlantic coast of the United States, during the summer of 1880, by the U.S. Coast Survey Steamer "Blake", Commander J.R. Bartlett, U.S.N. commanding Part XII. Report on the selachians. Bulletin of the Museum of Comparative Zoology 8(11):231-237.
14. Garman S. 1881. Synopsis and descriptions of the American Rhinobatidae. Proceedings of the United States National Museum 3:516-523.

15. Garman S. 1882. The American species of the genus *Dasibatis*. Bulletin of the United States National Museum 16:65-72.
16. Garman S. 1883. On certain reptiles from Brazil and Florida. Science Observer 4:47-48.
17. Garman S. 1883. The reptiles and batrachians of North America. Memoirs of the Museum of Comparative Zoology 8(3):1-185.
18. Garman S. 1883. A species of *Pseudis*, from the Rio Arassuahy, Brazil. Science Observer 4:47.
19. Garman S. 1884. An extraordinary shark. Bulletin of the Essex Institute 16:3-11.
20. Garman S. 1884. The North American reptiles and batrachians. A list of the species occurring north of the Isthmus of Tehuantepec, with references. Bulletin of the Essex Institute 16:1-46.
21. Garman S. 1884. The oldest living type of vertebrata - *Chlamydoselachus*. Science 3:345.
22. Garman S. 1884. The oldest living type of vertebrates. Science 4:484.
23. Garman S. 1884. On the frilled shark. Proceedings of the American Association for the Advancement of Science 33:537-538.
24. Garman S. 1884. A peculiar selachian. Science 4:484.
25. Garman S. 1884. The reptiles of Bermuda. Bulletin of the United States National Museum 25:287-303.
26. Garman S. 1884. A species of *Heptranchias* supposed to be new. Bulletin of the Essex Institute 16:13-14.
27. Garman S. 1885. The American salmon and trout including introduced species. . 19th annual report on the Commonwealth's inland fisheries, Massachusetts. Boston. p 1-23.
28. Garman S. 1885. *Chlamydoselachus anguineus*, a living species of cladodont shark. Bulletin of the Museum of Comparative Zoology 12(1):1-35.
29. Garman S. 1885. The generic name of the pastinacas or stingrays. Proceedings of the United States National Museum 8:221-224.
30. Garman S. 1885. Notes and descriptions taken from selachians in the U.S. National Museum. Proceedings of the United States National Museum 8:39-44.
31. Garman S. 1886. Abnormal embryos of trout and salmon. Science Observer 5(49):1-8.
32. Garman S. 1887. On the reptiles and batrachians of Grand Cayman. Proceedings of the American Philosophical Society 24(126):273-277.
33. Garman S. 1887. On the West Indian Teiidae in the Museum of Comparative Zoology. Bulletin of the Essex Institute 19:1-12.

34. Garman S. 1887. On West Indian Geckonidae and Anguidae. Bulletin of the Essex Institute 19:17-49.
35. Garman S. 1887. On West Indian Iguanidae, and on West Indian Scincidae. Bulletin of the Essex Institute 19:25-53.
36. Garman S. 1887. On West Indian reptiles in the Museum of Comparative Zoology, at Cambridge, Mass. Proceedings of the American Philosophical Society 24(126):278-286.
37. Garman S. 1887. Reptiles and batrachians from Texas and Mexico. Bulletin of the Essex Institute 19:1-20.
38. Garman S. 1887. The tail of *Chlamydoselachus*. Science 9:267.
39. Garman S. 1887. West Indian batrachia in the Museum of Comparative Zoology. Bulletin of the Essex Institute 19:13-16.
40. Garman S. 1888. An Andean Medal. Proceedings of the Essex Institute. 20:57-60.
41. Garman S. 1888. The batrachians of Kalm's "En resa til Notra America". Bulletin of the Essex Institute 20:90-100.
42. Garman S. 1888. On an eel from the Marshall Islands. Proceedings of the Essex Institute. 20:114-116.
43. Garman S. 1888. On the lateral canal system of the Selachia and Holocephali. Bulletin of the Museum of Comparative Zoology 17:57-120.
44. Garman S. 1888. The rattle of the rattlesnake. Bulletin of the Museum of Comparative Zoology 13(10):259-268.
45. Garman S. 1888. Reptiles and batrachians from the Caymans and from the Bahamas, collected by Prof. C.J. Maynard for the Museum of Comparative Zoology at Cambridge, Mass. Bulletin of the Essex Institute 20:101-113.
46. Garman S. 1889. Cave animals from southwestern Missouri. Bulletin of the Museum of Comparative Zoology 17(6):225-240.
47. Garman S. 1889. A large carp and its history. Proceedings of the Boston Society of Natural History 24:168-170.
48. Garman S. 1889. On the age of the Andean Medal (with plate). Proceedings of the Essex Institute 21:95-98.
49. Garman S. 1889. On the evolution of the rattlesnake. Proceedings of the Boston Society of Natural History 34:170-182.
50. Garman S. 1890. 1. Massachusetts carp 2. The River Trout 3. New England Saibling. Boston.
51. Garman S. 1890. The "Gila monster" *Heloderma suspectum*. Bulletin of the Essex Institute 22(4/5/6):60-69.

52. Garman S. 1890. On a genus and species of the Characines (*Henochilus wheatlandii*, gen. et sp. nov.). Bulletin of the Essex Institute 22:49-52.
53. Garman S. 1890. On *Balistes vetula* Linné. Proceedings of the Essex Institute 22:53-55.
54. Garman S. 1890. On species of *Cynopotamus*. Bulletin of the Essex Institute 22:11-14.
55. Garman S. 1890. On species of *Gasteroplecus*. Bulletin of the Essex Institute 22:8-10.
56. Garman S. 1890. On the species of the genus *Anostomus*. Bulletin of the Essex Institute 22:15-23.
57. Garman S. 1890. On the species of the genus *Chalcinus* in the Museum of Comparative Zoology at Cambridge, Massachusetts. Bulletin of the Essex Institute 22:1-7.
58. Garman S. 1890. *Silurus (Parasilurus) aristoltelis*. Bulletin of the Essex Institute 22(6):8-11.
59. Garman S. 1891. Dr. D.H. Storer's work on the fishes. Proceedings of the Boston Society of Natural History 25:354-357.
60. Garman S. 1891. On a tortoise found in Florida and Cuba, *Cinosternum baurii*. Bulletin of the Essex Institute 23(7/8/9):142-144.
61. Garman S. 1892. The Discoboli. Cyclopteridae, Liparopsidae, and Liparidae. Memoirs of the Museum of Comparative Zoology 14(2):1-96.
62. Garman S. 1892. The distribution of fishes. Science 19:187.
63. Garman S. 1892. Dr. D.H. Storer's work on the fishes. Science 19:295-256.
64. Garman S. 1892. On *Cophias* and *Bachia*. Bulletin of the Essex Institute 24:1-2.
65. Garman S. 1892. On reptiles collected by Dr. Geo. Baur near Guayaquil, Ecuador. Bulletin of the Essex Institute 24:88-95.
66. Garman S. 1892. On Texan reptiles. Collected by Mr. F.W. Wamsley for Professor J.W.P. Jenks, curator at Brown University. Bulletin of the Essex Institute 24:1-12.
67. Garman S. 1892. The reptiles of the Galapagos Islands. Bulletin of the Essex Institute 24:1-15.
68. Garman S. 1892. The reptiles of the Galapagos Islands from the collections of Dr. Geo. Baur. Proceedings of the Essex Institute. 24:73-87.
69. Garman S. 1892. *Sistrurus* and *Crotalophorus*. Science 19:290.
70. Garman S. 1892. The vesicles of Savi. Science 19:128.
71. Garman S. 1893. The Lac de Marbre trout, a new species. Science 22:23.
72. Garman S. 1895. The Cyprinodonts. Memoirs of the Museum of Comparative Zoology 19(1):1-179.

73. Garman S. 1895. Sexual rights and lefts. *American Naturalist* 29:1012-1014.
74. Garman S. 1896. Cross fertilization and sexual rights and lefts among vertebrates. *American Naturalist* 30:232.
75. Garman S. 1896. Report on the fishes collected by the Bahama expedition, of the State University of Iowa, under Prof. C.C. Nutting, in 1893. *Bulletin of the Laboratory of Natural History, University of Iowa* 4:76-93.
76. Garman S. 1899. Concerning a species of lizard from Clipperton Island. *Proceedings of the New England Zoological Club* 1:59-62.
77. Garman S. 1899. The fishes. Reports on an exploration off the west coast of Mexico, Central America, South America, and off the Galapagos Islands, in charge of Alexander Agassiz, by the U.S. Fish Commission steamer "Albatross", during 1891, Lieut. Commander Z.L. Tanner, U.S.N. commanding. Pt 26. *Memoirs of the Museum of Comparative Zoology* 24:1-421.
78. Garman S. 1899. A species of goby from the shores of Clipperton Island. *Proceedings of the New England Zoological Club* 1:63-64.
79. Garman S. 1900. Additions to the ichthyological fauna of the Bermudas, from the collections of the Yale expedition of 1898. *Transactions of the Connecticut Academy of Science* 10:510-512.
80. Garman S. 1901. Genera and families of the chimeroids. *Proceedings of the New England Zoological Club* 2:75-77.
81. Garman S. 1901. Some reptiles and batrachians from Australasia. *Bulletin of the Museum of Comparative Zoology* 39(1):1-14.
82. Garman S. 1903. Some fishes from Australasia. *Bulletin of the Museum of Comparative Zoology* 39:229-241.
83. Garman S. 1904. The chimeroids (*Chismopnea* Raf, 1815; *Holocephala* Mull., 1834), especially *Rhinochimera* and its allies. *Bulletin of the Museum of Comparative Zoology* 41:243-272.
84. Garman S. 1906. New Plagiostomia. *Bulletin of the Museum of Comparative Zoology* 46:203-208.
85. Garman S. 1906. Vertebrata from the savanna of Panama. Pisces. *Bulletin of the Museum of Comparative Zoology* 46:229-230.
86. Garman S. 1908. New Plagiostomia and *Chismopnea*. *Bulletin of the Museum of Comparative Zoology* 51(9):251-256.
87. Garman S. 1908. The reptiles of Easter Island. *Bulletin of the Museum of Comparative Zoology* 52(1):1-14.
88. Garman S. 1911. The *Chismopnea* (Chimaeroids). *Memoirs of the Museum of Comparative Zoology* 40(3):81-101.

89. Garman S. 1912. Some Chinese vertebrates. Pisces. *Memoirs of the Museum of Comparative Zoology* 40:111-124.
90. Garman S. 1913. The Plagiostomia. *Memoirs of the Museum of Comparative Zoology* 36:1-515.
91. Garman S. 1917. The Galapagos tortoises. *Bulletin of the Museum of Comparative Zoology* 30(4):261-296.
92. Putnam FW, Garman S. 1874. On the male and female organs of the sharks and skates, with special reference to the use of claspers. *Proceedings of the American Association for the Advancement of Science* 23rd meeting:143-144.
